Highlights Hello™

Little Bird

By Patricia Ann Miccichè • Art by Lesley Breen Withrow

Little Bird flying high,
I can see you in the sky.

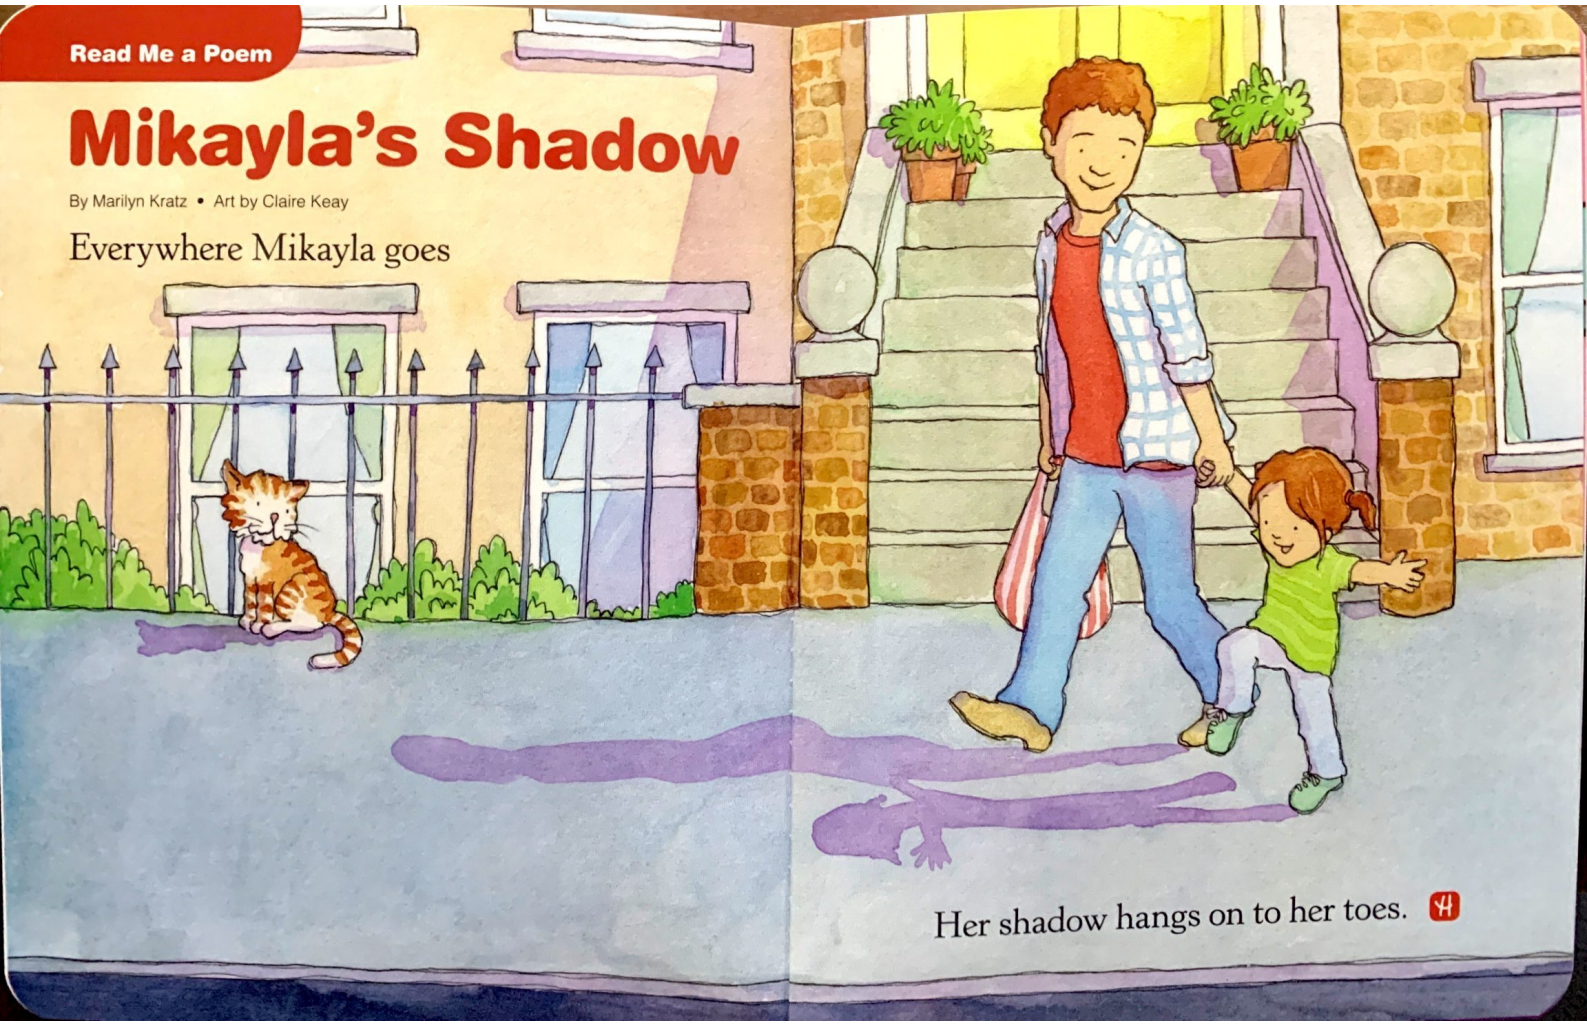

Little Bird in the tree,
I can hear you sing to me.

Little Bird on the ground,
I can see you hop around.

Little Bird who flies away,
please come back another day.

My Workbench

By Heidi Bee Roemer • Art by Paige Billin-Frye

With my little yellow hammer
I pound, pound, pound.

Blue cube fits the square hole
that I found, found, found.

Red peg fits the hole
that is round, round, round.

Best of all, my hammer
makes a *bang-bang-bang-bang* sound!

Where Toys Can Sleep

By Jeanne Barrett Hargett
Art by Ag Jatkowska

I found a place where toys can sleep
All warm and cuddly in a heap.
See the bunny? The soft stuffed pig?
And there's my bear. My crib is BIG!
